Thursday, 21st July 2011, 8.05 pm

I have just spoken to Josephine Chari as she was being returned to Yarlswood Detention Centre after the failure of an attempt by the UK Border Agency to deport her to Zimbabwe. She was to have been put on a Kenyan Airways plane leaving at 8 pm. No further details are available at this stage though last minute legal attempts had been made to seek an emergency injunction to prevent Josephine's removal.
