2017 sees the 10th anniversary of the Restoration of Human Rights in Zimbabwe

Once again both the Vigil and ROHR are facing efforts to disrupt us. We suspect this disruption is backed

We have already posted [The following disclaimer on the Vigil Facebook page Restoration of Human Rights in Zimbabwe \(ROHR\) has been](#)

We now note that on this hijacked facebook page there is a notice for the launch of a so-called 'ROHR Zimbabwe'

Following wide consultations leading to the formation of ROHR, it was agreed that Vigil founder member

The BOT then resolved to rectify the anomaly by replacing his name as 'Founder' with the authentic Founder

We were surprised in March 2011 when Zvorwadza approached Ephraim demanding that he fire the National

Unfortunately, the Deed of Trust never got amended as resolved for lack of due diligence on the part of

His efforts however were supported by High Court Judge [Rose Benton](#) (see [http://www.zim.gov.zw/rohr-site/which-but-locked-by-rose-benton/](#)). Our refusal to give a hearing

More recently Zvorwadza [has been fingered in the misappropriation of donor funds. Check out on](#)
