### Zimbabweans Protest at South African High Commission

Zimbabwean exiles and human rights supporters from across Britain staged a demonstration outside the South African High Commission from 12 noon to 2 pm on Thursday, 10 July.

The protest coincided with President Bush's tour of Africa during which he had discussions on Zimbabwe with President Mbeki. The demonstrators will present a letter to the High Commission calling on Mr Mbeki to condemn the human rights abuses carried out by Robert Mugabe's illegitimate government.
